"One came down to hang himself but he ain't got no time"

Psychological problems
People in opulence
Lost their pimples wax
Don't remember half of my dreams
Think I'm out of sight

Yeah! Yeah! Yeah! Yeah!

Turn of switch of recycle. Walk again.
It's the only way to start again.
Turn of switch of recycle. Walk again.
It's the only way to start again.

Not just destruction
Not only happiness
Half of a half is a half
Make your world but don't unfix this
To live you have to die

Yeah! Yeah! Yeah! Yeah!

Turn of switch of recycle. Walk again.
It's the only way to start again.
Turn of switch of recycle. Walk again.
It's the only way to start again.

Again...
