Please Don't Murder Me Again,
I Can't Take That Pain,
You Took Me In With Love,
When I Was Covered In Blood.
God Dont Drown Me, Please, With Your Dirty Blood,
Please Don't Fill My Lungs, Because I've Fallen In Love
I Swear I Heard You Calling,
But You Werent There,
I Miss My Heavenly One Love,
Even Though You're Standing Right There
Scars 19 For You, I Will Cut For You
I've Been Dead For So Long Nothing Beats Inside Of
Me,
You and I Apart, Is Just Wrong,
Cause We're Supposed To Be.
Can't, You, Hold, Me, Please? I Swear I'm Dying Here.
Can't You Love Me Please? Because I Love You I Swear.
I'm Standing Right Here, Crying, I Wish Youd Care,
I Think I'm Probably Dying. I'd Die For You I Swear
Scars 19 For You, I Will Cut For You.
19 Scars For You.
