Song by The Deleted

I wanna change the world,  
I wanna find my pearl,  
I wanna be the one who in the end gets the pritty girl,

Dont wanna be out done,  
I wanna be second to none,  
I wanna be the hero not a zero to everyone,  
But im subtratctin by addition,  
And im a pritty fat magician,  
I haven't figured out my mission,  
Just another boy with blind ambition

I wanna take the throne,  
And hog the microphone,  
I wanna sing the greatest record you will ever own,  
I wanna cure or ill,  
And have my face on a dollar bill,  
I wanna be the zen master not that fool up on the hill,

I want ya to sign my petition,  
I'm turning up the road to pedition,  
I wanna be the new rendition,  
Just another boy with blind ambition

Its a feeling in me,  
It's a feeling in you,  
Everyone is trying to find that place that stakes there  
clame,

I wanna take the throne,  
And hog the microphone,  
I wanna sing the greatest record you will ever own,  
I wanna change the world,  
I gotta go find my pearl,  
I wanna be the one who in the end gets the pritty girl,

But im subtraction by addition,  
I'm a pritty fat magician,  
I'm waiting for the intermission,

Just another boy with blind ambition,

I want ya to sign my petition,  
I'm turning up the road to pedition,  
I wanna be the new rendition,  
Just another boy with blind ambition,  
Just another boy with blind ambition,
