Disappeared  
Out of here  
It was time to pay my dues  
Never guessed  
That you'd be dressed  
In my clothes and in my shoes  
You couldn't wait to move right in  
If I were you I'd be concerned  
Ain't no way you're gonna win  
Betcha didn't count on my return  
\_CHORUS\_  
You thought you were so tough  
You had it all under control  
Now enough is enough  
Gonna take back what you stole  
{Give it up, 'cause now I'm back}  
On my own  
All alone  
This ain't how the story ends  
Now I see  
Those close to me  
They were just fair-weather friends  
You suckered everyone in sight  
With promises that fooled them all  
You may be top dog tonight  
The bigger they come, the harder they fall  
\_CHORUS\_  
You thought you were so tough  
You had it all under control  
Now nothing's enough  
Gonna take back what you stole  
{Give it up, 'cause now I'm back}  
"For our planet to succeed, Kaiba must be taken out of  
the picture, permanently."  
"You'll never take me alive!"  
"Seto Kaiba will bother us no more, hahahahaha!"  
"I'm not going to give up Kaiba Corporation without a  
real fight!"  
"It's takeover time, by me."  
"I attack with the Blue Eyes White Dragon!"  
\_CHORUS\_  
You thought you were so tough

You had it all under control  
Now nothing's enough  
Gonna take back what you stole  
{Give it up, 'cause now I'm back}  
"We're going in."  
"Big brother, you're here! You're here!"  
(guitar solo)
