Song by Fatty Koo

Break it it how you want it cuz we got this
Young rock stallion, the king of the game, holler back
And I got my whole crew with me stay passion blood,
You must have heat
Consider it done a new champion take it 4 kid
Heavyweight I size you up, man you ain't great
I fill these cards, man you know Im insane
I be the best there is, there ever was
You remember my name, SHAPOW
chorus
I feel the rain
I see you under
Hear the thunder
Let it rain
I been down there before
gotta crawl before you walk
If you cant battle
I suggest you not talk,
Flip that
Strategize, energize I guess I lost, I strike back
Put the fig in the yas, show her, yeah

Cant take this from me
This is mt life
Burnin' in flames
Tears in my eyes
Its over, Its Over

Razz around, wuh, are ya ready or not
Get ready
Cuz Im takin the spot
We got this game on lockdown, showed up hard knocks
Ready if you ready, man, come and get it, huh
Do ya got what it takes, take your best shot
Dont stop now, show me what ya got
Cuz we got this stuffed over crew
Its Fatty Koo, man I thought you knew
(woah)chorus

Build me, know me, my pain, my game
Hot rain tinker is caught, game a stuppule put(?)
Round 1, round, 2 look man I got you
Face it give it up, my world, my rules
Youll battle my world vengence is my door
Come and knock the port saw
Bombs, we set 'em off
Feel my wrath come down destroy you, man
I thought I told you, dog, its over, man
(Its over!)
chorus
