Your move!  
It's time to duel and there's no backing down  
The heart of the cards is where magic is found  
We've played this game before, but never this quite  
this way  
Its like an all out war with monsters that obey  
Yu-Gi-Oh!  
He's the King of Games  
Yu-Gi-Oh!  
King of Games  
Your move!  
Nowhere to turn now the traps have been set  
Play that one last surprise, hey it ain't over yet  
They've got the upper hand, but that won't last for long  
It's time to take a stand and show 'em that you're  
strong  
Yu-Gi-Oh!  
He's the King of Games!  
Yu-Gi-Oh!  
Hey!  
Egyptian secrets are revived  
Ancient powers have survived  
When wrong from right's not black and white  
Friends will help to win the fight  
Solve the Puzzle's mystery  
Unlock a hero's destiny  
Now alter egos, no one knows  
Side by side they fight their foes  
It's time to duel!  
These dual identities, they struggle for control  
Two personalites inhabiting one soul  
It's not a match you're in, it's much more like a brawl  
The only way to win, you've got to risk it all  
Your move!  
It's time to duel and there's no backing down  
The heart of the cards is where magic is found  
We've played this game before, but never this quite  
this way  
Its like an all out war with monsters that obey  
Yu-Gi-Oh!  
He's the King of Games  
Yu-Gi-Oh!

Hey!  
Yu-Gi-Oh!  
He's the King of Games  
Yu-Gi-Oh!  
(Yu-Gi-Oh!)  
Yu-Gi-Oh!  
He's the King of Games  
Yu-Gi-Oh!  
Yeah, yeah, yeah  
Yu-Gi-Oh!  
He's the King of Games  
Yu-Gi-Oh!  
Your move!
