You think I've got it all  
You think I've got it made well  
How come my only friends are the ones I pay?  
No one understands  
What I would do to change my life for just one day  
Don't say if I were you (say if I were you)  
Or tell me what you'd do  
Or things would be if  
You were in my shoes  
Cuz you're not me  
You know what I need  
And it's not another serenade  
I get so tired of all the things you say  
So give me what I want  
If you only would  
I'd gladly throw this all away  
Don't say if I were you (say if I were you)  
Or tell me what you'd do  
Or things would be if  
You were in my shoes (cuz you're not me)  
Please take me as I am (take me as I am)  
This isn't what I planned  
But I don't expect that  
You can understand  
Cuz you're not me  
I know you think you're bein' nice  
But spare me all your lame advice  
Time to play my hand and role the dice  
Everybody's got their price  
For far to long I've been denied  
I'm makin' my move so just step aside  
No one can say I never tried  
To do everything to get back my pride  
Hey, you were never me  
Why can't you see  
That you're not me (me, me, me, me, me, me, me)  
Don't say if I were you (say if I were you)  
Or tell me what you'd do (tell me what you'd do)  
Or how things would be if  
You were in my shoes (cuz you're not me)  
Please help me if you can (help me if you can)  
This isn't what I planned (this isn't what I planned)

But I don't expect that  
You can understand  
Cuz you're not me
