Minamo wo yurashita hana wa hakanaku
Yue ni hageshiku Maichiru

Kokoro no naka zutto Ano hi no kimi ga
Ano hohoemi ga Kienai Kesenai

Time
Kimi wo itsu made mo mamoritakatta
I don't want to leave here now
Right by your side
I don't want to leave here now
Right by your side

Dare mo ga itsuka kitto Tabidatsu koto wo
Kizuite shimau kara Sayonara Sayonara

Why?
Toki wa kizamareru Eien ni
I don't want to leave here now
Right by your side
So I don't want to leave here now
Right by your side

Still
Boku wo yobu koe ga kikoetekuru
I don't want to leave here now
Right by your side
I don't want to leave here now
Right by your side
So I don't want to leave here now
Right by your side
I don't want to leave here now
Right by your side
I'll be right by your side
For the rest of my life
