Chirakatta yuka no ue uzukumari hiza wo daita
Mamorenai yakusoku ga karenda wo yogoshiteru
Konna hi ga kuru nara dakiaeba yokatta yo motto
Missing you
Anata no kiss wo kazoemasho
Hitotsu hitotsu wo omoidaseba
Dare yori soba ni itakatta
Without you but you were mine
Kami no ke wo tabanetemo kinou to wa chigau kao de
Nani wo shite magirawasu kodoku toka fuan toka
Sugoku suki datta yo
Sore dake wa kawaranai jijitsu
Missing you
Anata no kiss wo sagashimasho
Anna chikaku ni sawareta noni
Dea wanakereba yokatta no
Shiny days when you were mine
Anata no kiss wo wasuremasho
Kira ni natte raku ni natte
Yoru wo shizuka ni nemuritai
I'm alone and you were mine
Do the night and day cure my feel of pain
Please somebody say
All of my heart is almost crying
In your eyes in your sigh
What certainly in my place
Tell me please the reason of your love for me
Can I cry now?
