what do i have to do
to be as fake as you
to be as fake as you
what do i have to say
to be your friend today
to be your friend, today

found you on another trip
when everything goes by
while the rain fell out of the sky

no-one else knows i'm here
well you are the one for me
holding me down
well you are the one for me, yeah

what do i have to do
to be as fake as you
to be as fake as you

don't remember you
don't remember you
don't remember you
i'm on my way
don't remember you
you and you and you

what do i have to do
to be as fake as you
to be as fake as you
what do i have to say
to be your friend today

today today
i'm on my way
today today
i'm on my way
today today
i'm on my way
today today

don't remember you

don't remember you
i'm on my way
be your friend

what do i have to do
to be as fake as you
to be as fake as you
what do i have to say
to be your friend today
to be your friend
