you say, you don't
need anybody else to hold your
hand
anyway

you don't need to
play the part of someone else
just to get me there

it's a sunny feeling after all
it's a sun

you've come to watch the
water flowing underneath your feet
and they meet

your eyes so cute
dreamers dream a life with you
and away... away they go

it's a sunny feeling after all

you say you don't
need anybody else to hold your
hand

touch your hand
