If I fall two times, I come back on my third jeoldaero
pogi anji and that's my word
If I fall five times, I come back on my sixth jugeotman
deo gamyeon dwa pogi anji nan ajik
If I'm knocked seven times, I come back on my eight
chiljeonpalgi nae insaeng ggeutkkaji kabollae now
knowledge of self thru the pain in this world
Nan jeoldaero pogi anji and that's my word.

All the memories of hate and the lies don't you know
eventually we'll pay the price all the hopes and the
dreams will survive reunite we got to keep our faith
alive.

All the memories of hate and the lies don't you know

they seem so far away I'm singing this song and pray
for better days.

All the memories of hate and the lies don't you know

So there you have it ma whole life with all it's memories
I'm tryna figure out how to set all of my pain free
sometimes I wish that I could turn the hands of time
back so I could rewrite the wrong and put ma life back
on the right track

Dwichago shipeo irheobeorin naui nalgae nan hallae
ggeutkkaji naui sarmeul chajagallae If I'm knocked
seven times I come back on my eight chiljeonpalgi nae
insaeng ggeutkkaji kabullae.
