Yesterday a child came out to wonder  
Caught a dragonfly inside a jar  
Fearful when the sky was full of thunder  
And tearful at the falling of a star  
Then the child moved ten times round the seasons  
Skated over ten clear frozen streams  
Words like, when you're older, must appease him  
And promises of someday make his dreams  
And the seasons they go round and round  
And the painted ponies go up and dawn  
We're captive on the carousel of time  
We can't return we can only look behind  
>From where we came  
And go round and round and round  
In the circle game.

Sixteen springs and sixteen summers gone now  
Cartwheels turn to car wheels thru the town  
And they tell him,  
Take your time, it won't be long now  
Till you drag your feet to slow the circles down  
And the seasons they go round and round  
And the painted ponies go up and dawn  
We're captive on the carousel of time  
We can't return we can only look behind  
>From where we came  
And go round and round and round  
In the circle game

So the years spin by and now the boy is twenty  
Though his dreams have lost some grandeur  
coming true  
There'll be new dreams, maybe better dreams and  
plenty  
Before the last revolving year is through.  
And the seasons they go round and round  
And the painted ponies go up and down  
We're captive on the carousel of time  
We can't return, we can only look behind  
>From where we came  
And go round and round and round

In the circle game
