(Hook)

Drop-drop-to-drop-drop

Sexy as she hell when she hit the top  
Then she hit the bottom like a fuckin' rock  
And I be on that ass  
Like I be on cash  
And I be on the top  
Like I be on "rocks"  
And I be- passin out the dough  
Passin out the hoes  
And I be rockin out the flow  
And I be droppin out the hoes  
Like, oh damn  
She be hot as hell  
She be fine as a mother fucker  
Lookin at me now  
She like the dick  
And I know  
She wants it, tonight  
So I'm goin get her over and I'm goin fuck her

(Hook)

Oh, ok, here we go now  
Drop, drop dop drop, tip ta top, hit the bop, bop to the  
bop bop

Oh damn, there she go again  
And she shakin that ass like a fuckin fin  
And it lookin like a fish when she shakin that ass  
And I be likin that ass when she shakin that  
Cause I be  
Grabbin a piece of that booty on the meat  
Cause I be likin what she shakin  
What's she workin with them feet  
Cause I be rockin--- (?)  
And I know what I be bringin  
And you know what I be takin home, bitch  
You know what I got  
Got a million in my pocket

Yea you know what I spot  
And I spot what I got  
And I know what I need  
Lookin at that G-Spot, baby it's callin me

(Hook)

Oh, then it go  
Hit the road, then I'm takin her home  
Back to my crib  
Then I'm fuckin that bitch up  
Lookin at that pussy  
Gonna eat that pussy up  
Cause I like the way she talkin to me  
And I be lickin them lips  
Like it's a fuckin piece of the meat  
And I know, what I need, a saltine  
A saltine on my mother fuckin dick piece  
And I be on the rubber, almost every time  
Pullin out my rhymes, then I'm pullin out my times  
Lookin at my timesheet, yea I gotta fit er in  
Fuck that bitch  
Then I hit it, like I'm on again  
Then I fine another bitch to fuck  
Lookin through my black book, lookin er up  
I be like, damn, oh there she go  
Lookin' at that bitch gonna take er back home

(Hook) repeat x2 (until fade)
