## "My Valentine"

This day  
I gave you my heart  
Symbolizing all my love from now and way back from  
the start  
Cuz what I feel baby  
Can't be expressed  
From any little card and any message that is sent

[Chorus]  
I gave you my heart  
On the special day and I  
Just got one thing that I wanna say  
No matter what  
You'll be in my heart  
No matter where I am  
Cuz in this day  
You are my Valentine

Cuz you're mine  
You're my Valentine  
Now and forever  
Until the end of time  
And even though I can't be home this day  
That doesn't mean a single thing is going to change  
All that matters is that day pur hearts are one  
That you don't forget  
To you my heart belongs

[Chorus]  
I gave you my heart  
On the special day and I  
Just got one thing that I wanna say  
No matter what  
You'll be in my heart  
No matter where I am  
Cuz in this day  
You are my Valentine

No one is more special than you are  
I wanna show you the words in this song  
Cuz you're the reason for all my smiles and more  
And I couldn't ask for more

[Chorus]  
I gave you my heart  
On the special day and I  
Just got one thing that I wanna say  
No matter what  
You'll be in my heart  
No matter where I am  
Cuz in this day  
You are my Valentine

Cuz on this day you are ny Valentine
