Mercedes ride, hallelujah [?] where is baptized
Foes on the front 6 on the back [?]
Haters on alert and my jury don't shine
Black car auto I'm always on time
Can I get a with it? Well, alright, amen, amen, amen,
amen,
Can I get a with it? Well, alright, amen, amen, amen,
amen,

The industry flow sound for me [?] because I had it
first
Don't give a fuck if who don't like it
You don't like it, disperse
Now we ain't [?] shit, everybody know the sound
Dope boy magic, yeah niggers going down
[?] nigger jump shit [?] y'all niggers did right
I'm not scarface but my shit's still right
Get a witness, I represent for the ai
College part niggers [?] all day
Used to sell weed [?] behind hallways
[?] report caught [?] head all aces
My swag is a gift but my shit's still exclusive
Jack on the past, on the present, on the future
Fuck these niggers I ain't talking kama sutra
You fuck with these niggers got some killers come and
shoot you
With the fish scales and the stone like medusa
Now I'm passing glas blowing 9 to 3 [?]

Mercedes ride, hallelujah [?] where is baptized
Foes on the front 6 on the back [?]
Haters on alert and my jury don't shine
Black car automoto I'm always on time
Can I get a with it? Well, alright, amen, amen, amen,
amen,
Can I get a with it? Well, alright, amen, amen, amen,
amen,

Mind my own bizness I ain't [?] talking
[?] like a bitch and you don't see me too often
The coop look nice the way the shines moon walking

I'm a stone cold stunter call me Steve Austin
I'm flexing, I'm flossing approach me with caution
Drop a hundred thousand and the [?]
Got the [?] cellie by the ounces
Bitches love my cologne I'm smelling like an ounce
Make her give me face times, make a movie on the
phone
The way I cash them pays, yeah, call me Julio jones
Yeah I know the hood [?] cause they thinking nigger
dissing
I just did what I thought to make you motherfuckers
listen

Mercedes ride, hallelujah [?] where is baptized
Foes on the front 6 on the back [?]
Haters on alert and my jury don't shine
Black car automoto I'm always on time
Can I get a with it? Well, alright, amen, amen, amen,
amen,
Can I get a with it? Well, alright, amen, amen, amen,
amen
