**(feat. 3LW)**

*[3LW:]*

*[Chorus]*

You think you know me but you have no idea  
Act like you bout it  
Well lemme put this in your ear  
If you really bout it  
Do it like a pose like you don't care  
If you bout it  
I dont doubt it  
Show me that you sure bout it (bout it)

*[Yung Joc:]*

I'll get your mind off ties  
Cause the hustla don't stop  
If your girl don't chew then my name ain't Joc  
The money don't flip then the block ain't hot  
If she don't scream your name then your game just  
shot  
I gotta couple reasons you can call me the boss  
Il'l drop a couple stacks and watch your ass get lost  
Joc the real shit Shorty bes believe that  
If you ain't ride till die  
Bring them car keys back  
Take your foot off the brake  
Baby gon ride out  
If them suckas wanna hate Put um in time out  
I get that cake you'll soon find out  
If you ever cross me you'll get crossed out

*[3LW:]*

I've seen it before in a rhyme and a roll  
Come and catch up with me baby don't stop  
Get to the floor whatchu waiting for  
Cause we can ride b straight to the top  
Wayy too long and now its the time to show um all that  
is not a game  
Cause I dont care what im lookin like  
I just wanna show you that im not goin no where

*[Chorus]*

You think you know me but you have no idea  
Act like you bout it  
Well lemme put this in your ear  
If you really bout it  
Do it like a pose like you don't care  
If you bout it  
I dont doubt it  
Show me that you sure bout it (bout it)

*[Yung Joc:]*

Imma get rich and imma die tryin'  
I ain't 50 Cent but respect my mind  
Respect my gangsta respect my shine  
Put your click in chick if you step outta line  
I ain't Kanye but I been thru the wire

Couple more albums before I retire  
Most of these rappers ain't nothin but liars  
How are they The Killers when they sing in the choir?  
Straight from the bottom and im tryin' to get higher  
Too many strikes, Got too many priors  
Messin with us like playin with fire  
Get your wick split, time to meet your messiah

*[3LW:]*

I've seen it before in a rhyme and a roll  
Come and catch up with me baby don't stop  
Get to the floor whatchu waiting for  
Cause we can ride b straight to the top  
Wayy too long and now its the time to show um all that  
is not a game  
Cause I dont care what im lookin like  
I just wanna show you that im not goin no where

*[Chorus]*

You think you know me but you have no idea  
Act like you bout it  
Well lemme put this in your ear  
If you really bout it  
Do it like a pose like you don't care  
If you bout it  
I dont doubt it  
Show me that you sure bout it (bout it)

Now I been walking up this road tryin' to find which way  
to go  
Tryin' to pull my faith  
Sometimes it seems like I don't know  
Now I gotta chance to touch ?  
And the answers right in front of me  
Yeah! Yeah! Yeah!

*[Chorus]*

You think you know me but you have no idea  
Act like you bout it  
Well lemme put this in your ear  
If you really bout it  
Do it like a pose like you don't care  
If you bout it  
I dont doubt it  
Show me that you sure bout it (bout it)

*[Chorus]*

You think you know me but you have no idea (No Idea!)  
Act like you bout it  
Well lemme put this in your ear  
If you really bout it  
Do it like a pose like you don't care  
If you bout it  
I don't doubt it  
Show me that you sure bout it (bout it)
