[CHORUS]

It ain't nothing like the first time
I'm tryna tell you I can blow your mind
Baby if I touch you here and kiss you there
Gonna fall in love shorty, best beware

It ain't nothing like the first time
I'm tryna tell you I can blow your mind
Baby if I touch you here and kiss you there
Gonna fall in love shorty, best beware

[VERSE ONE]

This aint no love song
More like a cut song
You say your day was long, well tell daddy whats wrong
Imma tell you one time -- just relax and unwind
Whisper sweet nothings now you blushing, chills down
your spine
Oh yea you hot and tempted
Oh no not pretty ricky
But when you grind on me
Imma leave you hot and drippin
Slip in those satin sheets
Now go and roll over
Oh yea its up and down motions like a rollercoaster
I see she up on top
You all on my jock
Imma do it nonstop, until your cherry pop
Imma keep going and going, the energizer bunny
Mr long john all in your tummy

[CHORUS]

It ain't nothing like the first time
I'm tryna tell you I can blow your mind
Baby if I touch you here and kiss you there
Gonna fall in love shorty, best beware

It ain't nothing like the first time
I'm tryna tell you I can blow your mind
Baby if I touch you here and kiss you there

Gonna fall in love shorty, best beware

[VERSE TWO]

Wont you let me introduce ya to thug karmasutra
This aint no lovey dovey (nah) but watch how I seduce
ya
Girl im the man, i- i- im the man
I push the right buttons and the sex on demand
Oh yea I like it slow
Baby be easy
Ooo, watch ya teeth
Baby be easy
Tell me your vicky secrets, tell me all the dirt
You smell like peaches, must bath & body works
Love the way your body work, imma make your body
rock
Once you climax, you feel the aftershock
(i know I got you hooked on this lovin'
Dont get it twisted, we just cutin' baby)

[CHORUS]

It ain't nothing like the first time
I'm tryna tell you I can blow your mind
Baby if I touch you here and kiss you there
Gonna fall in love shorty, best beware

It ain't nothing like the first time
I'm tryna tell you I can blow your mind
Baby if I touch you here and kiss you there
Gonna fall in love shorty, best beware

[VERSE THREE]

Yea I know I know, I still aint went soft
But I gotta go, lets hit the shower baby, its time to rinse
off
I'll wash yours, you wash mine, I adore it the first time
I blew yours, you blew mines, sometimes i'll drop you a
line
But look dont tell nobody, just keep it on the low
Not your best friend, not your cousin, nobodys gotta
know
I know it sounds crazy, but thats just how it is
Yung J-O-C, long live, long live

[CHORUS]

It ain't nothing like the first time
I'm tryna tell you I can blow your mind
Baby if I touch you here and kiss you there
Gonna fall in love shorty, best beware

It ain't nothing like the first time

I'm tryna tell you I can blow your mind
Baby if I touch you here and kiss you there
Gonna fall in love shorty, best beware
