All the hoes lose they mind when they see me stuntin'  
Dope boys lose they mind when they hear me comin'  
All the haters get to runnin' when they hear that  
chopper drummin'  
Brr pum-pum, brr pum-pum pumpin'

All the hoes lose they mind when they see me stuntin'  
Dope boys lose they mind when they hear me comin'  
All the haters get to runnin' when they hear that  
chopper drummin'  
Brr pum-pum, brr pum-pum pumpin'

Y'all already know me you ain't even gotta wonder  
I was voted number one rapper to drop this summer  
A one hit wonder, how the hell ya figure that?  
My rhymes like crack, fiends screamin', ?Gimme dat?

A fiend like a monkey in that '73 junk  
Need a Desert Eagle reefer smellin' like the skunk  
Got a bitch named Judy with a real big booty  
Boost all day, keep a nigga ridin' Coogi

If it's a problem I suggest you let it go  
Got some killers over there on Headland and Delowe  
I beat the block up, you can hear me when I'm comin'  
If it's a problem then the choppers start drummin',  
drummin'

All the hoes lose they mind when they see me stuntin'  
Dope boys lose they mind when they hear me comin'  
All the haters get to runnin' when they hear that  
chopper drummin'  
Brr pum-pum, brr pum-pum pumpin'

All the hoes lose they mind when they see me stuntin'  
Dope boys lose they mind when they hear me comin'  
All the haters get to runnin' when they hear that  
chopper drummin'  
Brr pum-pum, brr pum-pum pumpin'

My niggaz flip birds, yo' niggaz flip burgers  
My niggaz got work, yo' niggaz just workers

My niggaz we get heard, yo' niggaz is unheard of  
My niggaz murder, yo' niggaz get murdered

My niggaz wet niggaz, yo' niggaz get drenched  
My niggaz play the field, yo' niggaz ride bench  
My niggaz is quarterbacks, yo' niggaz just receive  
With a single flinch boy, yo' niggaz retreat

My niggaz take the coke and they let the shit cook  
Yo' niggaz experiment with the dope and get hooked  
Now ain't that somethin' let the story get told  
As the plot thickens, the script unfolds

All the hoes lose they mind when they see me stuntin'  
Dope boys lose they mind when they hear me comin'  
All the haters get to runnin' when they hear that  
chopper drummin'  
Brr pum-pum, brr pum-pum pumpin'

All the hoes lose they mind when they see me stuntin'  
Dope boys lose they mind when they hear me comin'  
All the haters get to runnin' when they hear that  
chopper drummin'  
Brr pum-pum, brr pum-pum pumpin'

I get ya back around three we can do it one mo' gen  
Message to them hater middle finger to the wind  
Let my chain swang with a limp in my walk  
Baby hush your mouth respect a pimp when he talk

Everybody know that I do it for the hood  
Help feed the hungry, now my homies all good  
Word on the street, Joc got the heat  
Suede on the seat, 28's on my feet

Two bottle of Crist' baby go on spend money  
When ya add it up now I'm drinkin' rent money  
My wrists on froze, make 'em jump up out they clothes  
Go on enjoy your night cause in the mornin' gotta go

All the hoes lose they mind when they see me stuntin'  
Dope boys lose they mind when they hear me comin'  
All the haters get to runnin' when they hear that
