dress 2 impress
fly like the birds
open up da zip
now tha whip smell like purp
new joc city beatin through ya fifteens
alpine amps push button flip screens

so they call me jock strap
but if a nigga think i'm slow
you betta tell em' joc's strapped

{Chorus}

{Verse 3}
i'm often by the tap
i do this just for fun
it's dark when i enter,
when i leave break of dawn
don't wanna gucci shades
block rays from the sun
call in sick,
cause ya days just begun
pineapple juice, it approve bacardi rum
liquor on my breath
so i keep a pack of gum
i keep the hemi cocked,

so ya know it's not on safe
partna don't hate,
ya minds a terrible thing to waste
block got the keys to the sweet
i'm on the way
darlin got that hoochie poppin,
coochie givin face
5,4,3,2,1 it's a rap
check the sound scan
i'm on fire like the trap

{Chorus}
they keep jockin
they keep jockin
this i kno (say wuh)
this i kno (what cha doin shawty)
i gets money on da low
im choppin 24's
im known 2 cut ya hoe
so i need 2 let u kno
dont hate me(come on now)
dont hate me(and there it is)
