whn i know i have made a differene  
when i could do no wrong  
when life gives me a second chance  
when granma says heaven is so beautiful  
chorus

Its no just a word.  
love is everything  
love is what keps me going  
love knocks down hate  
love is the ruler  
If i were without love i would feel paralased  
if i were without love i would feel blind  
if i were without love i would feel lost  
if i were without love i would be dying  
if i were withou love i would hate everything  
if i were without love i would b a destroyer  
if i were without love i would be a sabotge  
if i were without loe i would be insecure

chorus

but i am with love  
but i am in love  
but i am loved  
but i am beloved  
so i spread the love far and wide  
all my bothers are behind me now  
they cry my tears and fight my battles  
through their music never a weapon or violence  
but always with love  
our lov gave us a black president  
our love opened up uncle toms cabin again  
our love teaches everyone.

chorus
