ft T-Pain  
Young Joc, Young Joc  
T-Pain, T-Pain

Ohh ahh, put you on a mollie

Hook:

Girl put this on your tongue let me show you how this..

Girl put this on your tongue let me show you how this..

Girl put this on your tongue let me show you how this..

Girl put this on your tongue let me show you how this  
mollie work.

how this mollie work, how this mollie work

how this mollie work, how how this mollie work

how this mollie work, how this mollie work

put this on your tongue let me show you how this mollie  
work.

Lot it, lot it, we came to party, roll up the loud,

hold out the molly, lot of bad bitches

serve still the cop some ballin on the budget

but them balls still poppin

I I I got a fist full of dollars

she left a lipstick on my colour

let me introduce you to the mollie

have a lip service in my outie

Hook:

Girl put this on your tongue let me show you how this..

Girl put this on your tongue let me show you how this..

Girl put this on your tongue let me show you how this..

Girl put this on your tongue let me show you how this  
mollie work.

how this mollie work, how this mollie work

how this mollie work, how how this mollie work

how this mollie work, how this mollie work

put this on your tongue let me show you how this mollie  
work.

Girls girls I do, I adore,

one more due I need three or four

Is just you me and mollie on my floor

may babe is droppin on my floor  
on the floor, floor you're the one transform-form  
when you put this on your tongue  
don't run, run drop it on the one  
I'm lie yum-yum girl your sweets is bubble yum  
you make the gun.. dance like no spion  
model make me one join from behind  
the girls that..whine dance like no spion  
mollie make me wanna bup-bup pop and grind

[Hook:]

I got a girl that I ain't planning fell in love with  
see always got me ready for the club shit  
she got me giggling and watching these booties..and  
gigling  
and I'ma hit it and split it  
and if you with it I'm winnin all  
I think I bring a smile coming on,  
I can run a hundred miles from hundred phones  
you wanna see me do it first  
had a pop of mollie so I can do this verse  
put this on your tongue and you're gonna feel horny  
put this on your tongue baby you won't feel horny  
you ain't never had it baby I'ma bless you right  
have your chain going left in right..

I say you the life for this party,  
you the life for this party  
I say you the life for this party  
I don't care what nobody say  
you the baddest motherf\*cker in yeah  
I don't care what nobody say  
you the baddest motherf\*cker in yeah  
I swear, I swear

[Hook:]
