Pockets on swoll lookin' like they got the mumps
I'm 'bout my change, gotta get the riches
From the look of thangs y'all gettin' JC Penney's

Pass that Patron, the lime's right thurr
Rock with it, lean with it in my Nike urr
Wink my eye at your bitch now she wishin' she could
touch
See the J's on my feet and she love the diamond cuts

Fresh to death, everyday like I jumped up out a caskets
Ask Chino Dolla 'bout that dope boy magic
Connected like apartments, keep one in the cartridge

Chevy seats ostrich, name in the carpet

I just bought a zone, J's on my feet
I'm on that Patron so get like me
I just bought a zone, J's on my feet
I'm on that Patron so get like me

Mad 'cause I got juice, call me Tropicana, bitch
Joc feel good, joc buy the bar
Catch me in the hood pimp, rollin' on a gar

I plead to the judge, I'm guilty of the charge
I'ma ballaholic, can't help it I'ma star
You see the yellow ice, you holla oh my God
Tryin to guess the price, about thirty large

Niggaz throw the deuces e'rytime I ride by
E'ry, e'rybody love me, I'm so fly
Niggaz throw the deuces e'rytime I ride by

E'rybody wanna know, how I do my thang?
Yeah I get money and I let my nuts hang
Pull up to curb, cut it to the left
My rims sittin' tall 'til I dim the knee steps

I just see what I want then I go get it
The apple jelly Chevy with the peanut butter in it
So don't get mad, pimp keep it cool

I hang with them goons and the boys keep them tools
I hustle all day that's just how I live
Stack them big faces, give the strippers dollar bills

Check the dictionary for a P I M P
And when you look it up, partner tell me who ya see?
Young J O C, yeah that's me
Twenty eight G's, on my feet twenty three's

So gone that Patron, so get like me
So gone that Patron, so gone that Patron
So gone that Patron, so get like me
Get like me, get like me
