Joc you ready
This the Nitti beat
Hah, yeah
No time for games baby
Tell her what she wanna hear Joc
You grown, I'm grown, We grown, Let's do grown up
things, Ya dig

(Chorus)-Slim

Shawty wanna break it down, down, down, down, down,
down

Bust it open for me, bring it back, back, back, back,
back, back

Shawty like to move that thing Left to the right, left to
the right, left to the right

Bust it open for me bring it back, back, back, back,
back, back

(Background)- Joc

Do it Wham, Do it Wham, Do it Wham, Do it Wham

Verse 1- Joc

Damn she pop bars

Plus that lil move that she doin on the flo gotta nigga
rock hard

Call me cookie Monsta eat that thang for dinner

You gone fuck around and make me pull it out and put
it in ya (in ya)

Juicy, Juice in them thongs when I bend-a

Ova then I cutter like a sword from a ninja

I been stroking, I aint, in the back of the phantom, legs
up, doors open- mayne

Similar to Chris Brown, I teller to run it (Run it)

that arch in her back, now im digging in her stomach

Like a bill collector, she keep runnin from it

Neighbors hearin Screams so they think the house is
haunted

(Chorus 1x)- Slim

Verse 2- Joc

I remember that night, at club ??????

I was on Ciroc on the rocks, she was Goosed up
Headed out the door, down the street to the Flame
Your homegirl was working so we went and threw some
change
Bout 2 O'clock on the dot we was out
You, Me and her bucket naked on my couch
All I remember, it was in December,
Her name was September, munchin on my timber-
mayne
Then I went and pinned her down and we was round
two'n it
And you was in the middle of us two an? now we doin it
Blowin on my blowpop, Now they both is chewin it
By the way they do it I can tell they aint new to this

(Chorus 1x)- Slim

(Joc) Ha Ha that's right, we gone end this thing right
Aye, Lets Go

Verse 3- Joc

When im on my tippy toes, you know im in my zone
She want me to beep beep all night long
And play wit that pussy, I man up in it
Im juggin in her box, I stand up in it
I said im playin wit that pussy, I man up in it
Im juggin in her box, watch me stand up in it

(Chorus 1x)- Slim

See imam give em what they want
Why not?
