From the back, from the front, from the side I wanna fuck her with the lights on. From the back, from the front, from the side baby what you want. From the back, from the front, from the side I wanna fuck her with the lights on. From the back, from the front, from the side baby what you want.

Put your legs on top of me when I freak, you freak, we freak. I wanna fuck her with the lights on. Put your legs on top of me when I freak, you freak, we freak. I wanna fuck her with the lights on. Put your legs on top of me when I freak, you freak, we freak. I wanna fuck her with the lights on. Put your legs on top of me when I freak, you freak, we freak yeah.

I was in the back of a club with a chick, face look good with a ass so sick. Achoo. Wanna take her to the crib, I do a couple grand in the club. I blew, see the money ain't shit all I could think little mama getting hit from all directions, when we sexin please believe I got protection. She asked for platinum wrappers I popped them magnum wrappers. You know what happens after, there's magic in the master. Shes bowing to her master, I throw her up and catch her. Her praise is faster, faster. I reply with laughter, laughter.

From the back, from the front, from the side I wanna fuck her with the lights on. From the back, from the front, from the side baby what you want. From the back, from the front, from the side I wanna fuck her with the lights on. From the back, from the front, from the side baby what you want.

Put your legs on top of me when I freak, you freak, we freak. I wanna fuck her with the lights on. Put your legs on top of me when I freak, you freak, we freak. I wanna fuck her with the lights on. Put your legs on top of me when I freak, you freak, we freak. I wanna fuck her with the lights on. Put your legs on top of me when I freak, you freak, we freak yeah.

Ask me what my name and I will tell the girl its mister. I

pull her in all types of positions like playing twister, she got buhu flexibility, stamina and agillity. She just don't know when I go down low I got porn star ability. Shes screamin as shes moanin vibrating just like my cellular, follows directions well by gosh I love sexin her.

From the back, from the front, from the side I wanna fuck her with the lights on. From the back, from the front, from the side baby what you want. From the back, from the front, from the side I wanna fuck her with the lights on. From the back, from the front, from the side baby what you want.

Put your legs on top of me when I freak, you freak, we freak. I wanna fuck her with the lights on. Put your legs on top of me when I freak, you freak, we freak. I wanna fuck her with the lights on. Put your legs on top of me when I freak, you freak, we freak. I wanna fuck her with the lights on. Put your legs on top of me when I freak, you freak, we freak yeah.
