Eenie, meeny, miney, moe
How many bitches from the club wanna go?
I know you see it, I know you see it

I'm like eenie, meeny, miney, moe
How many niggaz in the club wan' go?
I know you see it, I know you see it?

Now you can call me Tip Drill, they playin' my
song
Throw a couple ones, then she throw away her thongs
When she bust it open, take a picture with my phone
She love my cologne, call it Purp Bodyzone

Now she pussy poppin' yeah it's goin'
down
Slap the waitress on the booty, tell her get another
round
And when I make it rain money all over the ground
Fresh Force Ones, Sean John buttoned down

And then I'm like, "Oh, boy, my click full o'
stars"
Big fo'-fifth, big dick and big cars
At the end of the day when it's all said and done
I'ma need fo' freaks 'cause I need more than
one

Eenie, meeny, miney, moe
How many bitches from the club wanna go?
I know you see it, I know you see it

I'm like bim bam I know you wan' some
She chewin' on the dick like a piece of Bubble
Yum
I know you see it, I know you see it

I'm like eenie, meeny, miney, moe
How many niggaz in the club wan' go?
I know you see it, I know you see it

Then I'm like bim bam I know you wan' some

You chewin' on the pussy like a piece of Bubble
Yum
I know you see it, I know you see it

I ain't never been the type to show off in the
club
Real laid back poppin' plenty bottles of bub
Don't smoke but I got much purp
Get that nigga real high, make him slurp it then burp

Could you be a groupie? I hear you singin' my song
Like, I see you, lemme feel your tongue
It's me Miss B nigga, let me get you laced
Take a step back, blow the pussy in ya face

I ain't talkin' cush nigga, I'm
talkin' a rat race
So many to choose from, give 'em all a little taste
Gotta house full o' pussy, the Madam of Hip
Hop
My bitches are superstars, so gushy you need a mop,
yeah

Eenie, meeny, miney, moe
How many bitches from the club wanna go?
I know you see it, I know you see it

I'm like bim bam I know you wan' some
She chewin' on the dick like a piece of Bubble
Yum
I know you see it, I know you see it

I'm like eenie, meeny, miney, moe
How many niggaz in the club wan' go?
I know you see it, I know you see it

Then I'm like bim bam I know you wan' some
You chewin' on the pussy like a piece of Bubble
Yum
I know you see it, I know you see it

I got stacks on deck, snowflakes on my neck
New J's on my feet, make my outfit complete
I know you see it, I know you see it

I got stacks on deck, niggas love my flow
Got a mohawk blowin', air forces that glow
I know you see it, I know you see it

Eenie, meeny, miney, moe
How many bitches from the club wanna go?

I know you see it, I know you see it

I'm like bim bam I know you wan' some
She chewin' on the dick like a piece of Bubble
Yum

I know you see it, I know you see it

I'm like eenie, meeny, miney, moe
How many niggaz in the club wan' go?
I know you see it, I know you see it
