Welcome to Starblocks  
It's Young Dirty  
Who's this?  
It's Young Dirty

Oh okay, what you need?  
Hey, I need some of 'em thangs, mayn  
How many of 'em?  
Two of 'em, give me two  
I got you, pull on around to the window, pimp  
Aight, shawty

Ay, ay, Joc, what up, Pat man?  
Cuz out here say he need two of them thangs  
Oh yeah, he want two of 'em?  
Yeah, ay Joc, what up?  
You know the motto? Yeah  
Hustle by any means, nigga

First I take they order like the coffee shop  
Then I steam it up and cook it like the coffee shop  
And then I serve it out the window like the coffee shop  
Yeah, I'm comin' in, got my rims sittin' real big

And it ain't no returns at the coffee shop  
Man, I make that paper stack up at my coffee shop  
One hit and they'll be back to the coffee shop  
Yeah, I'm comin' in, got my rims sittin' real big

Okay, it's just another day at the coffee shop  
I ground coffee beans, turn the heat in them coffee  
pots  
Turn the lights on, J's rush the parkin' lot  
This the neighborhood's number one stop 'n' shop

No regular, we only serve the best  
For the low low, cheaper than the rest  
I'm takin' orders, tell me who's next  
Only cash, no credit, no checks

When your car stop, welcome to Starblocks  
Wanna triple your knot? Invest in our stock

And now we doin' numbers, numbers like a closeout  
Be sure you shop wit me before we're sold out, go

First I take they order like the coffee shop  
Then I steam it up and cook it like the coffee shop

Man, I make that paper stack up at my coffee shop  
One hit and they'll be back to the coffee shop  
Yeah, I'm comin' in, got my rims sittin' real big

We cook it in the mornin', sell it durin' midday  
Whipped the cream, same color as your latte  
I tell 'em vÃfÃimonos, that's rapido  
You need some mota? You gon' call Gorilla Zoe

You can get the coca if you got to get it green  
Colombian, and I ain't talkin' coffee beans  
12 to 12, it's always someone on the scene  
Starblocks, we get it out by any means

Coffee shop, trop spot, hand to hand, get my guap  
Pack the scale, ounce for ounce, sack for sack, raise  
the chop  
Rockstar, rollin' rocks, piano ki's, work the block  
Welcome to Starblocks, we trop like the coffee shop,  
let's go, see

First I take they order like the coffee shop  
Then I steam it up and cook it like the coffee shop

And it ain't no returns at the coffee shop  
Man, I make that paper stack up at my coffee shop  
One hit and they'll be back to the coffee shop

Okay, everybody on the block know my nickname  
When you drop by just ask for 'Whip Game'  
And all my money get counted when the shifts change  
They get to, we let my four fifth bang

If you need the number, 1-800-Starblocks  
Coca latte, damned to make your heart stop  
And now the haters hot so they run and tell the cops  
If they shut us down, we'll set up shop on another block

First I take they order like the coffee shop

Then I steam it up and cook it like the coffee shop  
And then I serve it out the window like the coffee shop  
Yeah, I'm comin' in, got my rims sittin' real big

And it ain't no returns at the coffee shop  
Man, I make that paper stack up at my coffee shop  
One hit and they'll be back to the coffee shop  
Yeah, I'm comin' in, got my rims sittin' real big

Hey Pat man, when they in the South, where they gon'  
find us at?  
You oughta know, the coffee shop  
When we on the West Coast, where they gon' find us  
at?  
At the coffee shop

What about up top, shawty, where they gon' find us at?  
At the coffee shop  
Hey kids, please don't do drugs
