No doubt...

You can work it...

Give it to me straight
When you smooth operate
Can you come out and play?
Make my tic talk
Step up to the plate
No underestimate
No never play it safe
No relax
Boy you're charming me not gonna fight it
I'm your moll indeed not gonna hide it
Hustlin' you got me
Your turfs in my lane
Respect nobody
Bonnie and a clyde it
Not gonna testify
Gotta me under oath big time
Baby you hustler hustler hustler
Gonna work for you all night yeah
Go for whatever you want
Don't let anyone tell you that you can't
Baby you, baby you get that take that
I'm in the mood so make it last
Hustle 9 to 5
You're gonna have to survive
Go hard go hard go hard go hard
Wanted dead or alive

You work it hard (you work it)
Boy you got me good
How you push and shove (push and shove)
Ooh boy you're hustlin' me
You work it hard (you work it hard you gonna lie some)
Boy you got me good how you push and shove
(You work it hard gonna survive some)
Ooh boy you're hustlin' me

Tik tok round de clock
Hustlin' on de block

Make sure everything right fi my girl

The love is non-stop
You feel the impact
Collide like two stars in my world
Ready when youÂ're ready we can run this city
No ifÂ's, no but's, no maybes

Seckle down gal, do the rocksteady
Mi put a smile on your face like it's payday

La la la vida loca
We speeding it up like soca
Just when you think it's over
We be on another level like we doing yoga

My love is toxic, stretch like elastic, drastic
Share the pilot inna mi cockpit

Anytime anyplace we blaze

You work it hard (you work it)
Boy you got me good
How you push and shove (push and shove)
Ooh boy youÂ're hustlinÂ' me
You work it hard (you work it hard you gonna lie some)
Boy you got me good how you push and shove
(You work it hard gonna survive some)
Ooh boy youÂ're hustlinÂ' me

You push and shove
I take the bait
ItÂ's a risky business
Gonna play it anyway

You push and shove
I take the bait
ItÂ's a risky business
Gonna play it anyway

You work it hard (you work it)
Boy you got me good
How you push and shove (push and shove)
Ooh boy youÂ're hustlinÂ' me
You work it hard (you work it hard you gonna lie some)
Boy you got me good how you push and shove
(You work it hard gonna survive some)
Ooh boy youÂ're hustlinÂ' me

You work it hard

Take a ride with me
If that's all right
We'll shine so bright
Like the city lights
When you're by my side
Stay by my side girl (boy)
Let's ride if that what's you want
Have fun if that what's you want
We could go wherever you want girl, want girl
Bubble it if that what's you want
Have a drink if that what's you want
You could have anything you want girl
