youâ€™ll be waitin in time
you got me, you got me trapped inside a crystal ball
and when i see you i start to roll,
youâ€™ll be waitin in time.
you keep rockin on the bus. i
mma give out to and she want me,
and she want you.
and you can be my girlfriend.
prayer at the sunset.
you can be the teacher,
teach me all the lessons. yeah!
she want me, yeah yeah she want me.
yeah i want her, yeah yeah.
i want in. so turn on the blacklight.
and they all know, iâ€™m alright alright.
you got me, you got me trapped inside a crystal ball.
and when i see you i start to roll, youâ€™ll be waitin in
time.

you got me, you got me trapped inside a crystal ball.
and when i see you i start to roll. iâ€™m waiting for
you!

(kyle e) â€œ these girls brought me down because.
i got swag. (swag) she keep me around, iâ€™m the
best she ever had.
my heart beat hip-hop. dreams are reality,
i aimed for a star and landed on galaxy.
so many questions why they always asking me?
krook gang right here and they got the back of me.
fireplace stickling i will burn them like a calorie,
squeezing on my haterâ€™s.

you got me, you got me trapped inside a crystal ball.
and when i see you i start to roll.
youâ€™ll be waitin in time. y
ou got me, you got me trapped inside a crystal ball.
