Though I try Before to tell her
Of the feelings I have for her
In my heart

Everytime that I come near her
I just lose my nerve as IÃ,Ã've done
From the start

Every little thing she does is magic
Every thing she do just turns me on
Even though my life is before was tragic
Now I know my love for her goes on

Do I have to tell the story
Of a thousand rainy days since we first met
ItÃ,Ã's a big enough umbrella
But its always me that ends up,
Getting wet

Every little thing she does is magic
Every thing she do just turns me on
Even though my life is before was tragic
Now I know my love for her goes on

I result to call her up,
A thousand times a day
And ask her if sheÃ,Ã'll marry me,
In some old fashioned way
But my silent tears have gripped me

Long before I reach the phone
Long before my tongue has tripped me
Must I always be alone

Every little thing she does is magic
Every thing she do just turns me on
Even though my life is before was tragic
Now I know my love for her goes on

Every little thing she does is magic
Every thing she do just turns me on
Even though my life is before was tragic

Now I know my love for her goes on

Every little thing she does
Every little thing she does
Every little thing she does
Every little thing she does
Every little thing she does
Every little thing she does

Every little thing
Yeah he aaaa (x6)
Every little thing
Yeah he aaaa (x6)
Every little thing
Every little thing
Every little thing
