[A-Dot:]

Oh, oh, oh,oh,oh,oh,oh,oh,oh, ooooooh...you ready?

[Verse 1:]

[Mitchel:]

She sees the girls in the magazines  
Shining on the tv screen  
Wishing she could wear those jeans  
But to her it seems like a dream  
No she never had the perfect face  
Never had the perfect shape  
But its never ever ever to late  
'cause one day you'll find your way.

[VA Streetz:]

Before the the liposuction, breasts implants  
We loved our women do you think perhaps  
Tv, magazines dictates what beauty is?  
That's foolishness if you know who you is  
No two days are ever the same and  
After the sunshine comes the rain  
Then the sun comes out again  
Even my imperfections make me who I am.

[Chorus:]

[Mitchel:]

I'm so me (aye!) I could never do you (aye!)  
I'm so me (aye!) I could never do you (aye!)

[A-Dot:]

oh,oh,oh,oh,oh,oh,oh,oh,oh,oooooh..

[Verse 2:]

[Mitchel:]

You see the guys in the magazines  
Lots of women and all the bling  
Wishing he could have those things  
But to him it seems like a dream  
No he never had a fancy car  
Never learned to play guitar  
But still you're a shining star  
No matter who you are.

[VA Streetz:]

So you're hard on your hustle grinding 9 to 5  
Living in the city just trying to survive  
Knowing you should push those big boy rides  
Knowing you deserve to live that life  
Every night you turn on MTV  
See the people and the places you'd like to be  
Got you dreaming of that money you'd like to see  
You can still dream big and do you'll see.

[Bridge:]

[Evan:]

I can only be what I'm trying to be  
I could never do you  
'cause I gotta stay true to me  
Coming from where I've been  
There's only one thing for sure  
I love who I am and that's all I need to know (aye!)

[Chorus:]

[Mitchel:]

I'm so me (aye!) I could never do you (aye!)  
I'm so me (aye!) I could never do you (aye!)

[Outro:]

[A-Dot:]

I'm just tryin' to be  
What I came here to be  
I could never ever do you  
Gotta stay true to me (aye, aye!)

Gotta stay true to me

Chase your dream  
Live life and be yourself.
