I need a kick drum,
A guitar now,
And a bass line,
And imma show you how,

How to rock
How to dance
How to get down,
And all I need is a piano in my track now

Throw your hands
Throw your hands
Throw your hands
Throw your hands up
(Whoa ohoh, whoa ohoh)

Cause you can't
Cause you can't
Cause you can't
Cause you can't stop
(Whoa ohoh, whoa ohoh)

Can you hear me (hey)
Do you feel it (hey)
If you with me (oh)
1-2-3

Cause we're here and we're now and we're all together

So let's just make this last forever

Of all the stars are in the skies at night
You got to ask one thing to shine quite as bright

Throw your hands
Throw your hands
Throw your hands
Throw your hands up
(Whoa ohoh, whoa ohoh)

Cause you can't
Cause you can't

Cause you can't
Cause you can't stop
(Whoa ohoh, whoa ohoh)

Can you hear me (hey)
Do you feel it (hey)
If you with me (oh)
1-2-3

Cause we're here and we're now and we're all together
So let's make this last forever
