I need a kick drum,
a guitar now,
and a bass line,
and imma show you how,
how to rock, how to dance, how to get down,
and all i need is a piano in my track now
throw your hands
throw your hands
throw your hands
throw your hands up
[whoa,whoa]
cause you can't
cause you can't
cause you can't
cause you can't stop
[whoa,whoa]
Can you here me(hey)
Do you feel it(hey)
If you with me(oh)
1-2-3
cause we're here and we're now and we're all together
so lets make this last forever
of all the stars are in the skies at night
you got to ask one thing to shine quite as bright
throw your hands
throw your hands
throw your hands
throw your hands up
[whoa,whoa]
cause you can't
cause you can't
cause you can't
cause you can't stop
[whoa,whoa]
Can you here me(hey)
Do you feel it(hey)
If you with me(oh)
1-2-3
Cause we're here and we're now and we're all together
so lets make this last forever!!!
