I need a kick drum,
A guitar now,
And a bass line,
'N' imma show you how,

How to rock
How to dance
How to get down,
And all I need is a piano in my track now

Throw your hands
Throw your hands
Throw your hands
Throw your hands up
(Whoa ohoh, whoa ohoh)

Cause you can't
Cause you can't
Cause you can't
Cause you can't stop
(Whoa ohoh, whoa ohoh)

Can you hear me (hey)
Do you feel it (hey)
If you with me go
1-2-3

Cause we're here and we're now and we're all together
So let's make this last forever

Turn the Amps up,
Turn the lights down,
Brush yer, Brush yer self off,
Immma show you how!!

How to rock,
How to dance,
how to get down,
Everybody on the floor now!!!

Throw your hands
Throw your hands

Throw your hands

Throw your hands up
(Whoa ohoh, whoa ohoh)

Cause you can't
Cause you can't
Cause you can't
Cause you can't stop
(Whoa ohoh, whoa ohoh)

Can you hear me (hey)
Do you feel it (hey)
If you with me go
1-2-3

Cause we're here and we're now and we're all together
So let's make this last forever

Of all the stars are in the skies tonight
Compared to us well they don't shine quite as bright

Throw your hands
Throw your hands
Throw your hands
Throw your hands up
(Whoa ohoh, whoa ohoh)

Cause you can't
Cause you can't
Cause you can't
Cause you can't stop
(Whoa ohoh, whoa ohoh)

Can you hear me (hey)
Do you feel it (hey)
If you with me go
1-2-3

Cause we're here and we're now and we're all together
So let's make this last forever
