She looks so pretty.
She's ruler of the world.
And now the world, the movie, model.
She's the all-american girl.
He's got a hit record and sellin out his shows.
He's got the car and the cash
and the shoes and the girl that you want.
[i know you wanna]

So turn up all the lights I'm ready.
Takin' over I'm not waitin'.
That's right I'm here now I gotta go.
Now's the time I know its mine.
Watch out I'm movin' in.
I'm movin' in.

I'm with the in-crowd now.
My show's always on.
I'm with the sunset monkey
hangin' with the Kings of Leon.
You wear my t-shirt my logo on the front.
I know it's crazy
maybe but isnt this what we really want?
So turn up all the lights I'm ready.
Takin' over I'm not waitin'.
That's right I'm here now I gotta go.
Now's the time I know its mine.
Watch out I'm movin' in.
I'm movin' in.

[I'm comin' girl]

So turn up all the lights I'm ready.
Takin' over I'm not waitin'.
That's right I'm here now I gotta go.
Now's the time I know its mine.
Watch out I'm movin' in.
I'm movin' in.

So turn up all the lights I'm ready.
Takin' over I'm not waitin'.
That's right I'm here now I gotta go.

Now's the time I know its mine.
Watch out I'm movin' in.
I'm movin' in.

I'm movin' in.
I'm movin' in.
