Cant ask her to the dance  
don't stand a snowball's chance  
she'd never go with me  
she's way too beautiful  
up on the pedestal  
she's so out of my league  
but I don't blame her at all  
it's not her fault

Chorus

The girl can't help it  
the girl can't help it  
the girl can't help it, yeah  
The girl's got me obsessed  
but she's oblivious  
the girl can't help it, yeah

Yeah the perfection goes  
from her head to toes  
she's like a work of art  
when she walks down the street  
can't find her inner beat  
she's such a superstar  
but I don't blame her because  
she knows not what she does

Chorus

The girl can't help it  
the girl can't help it  
the girl can't help it, yeah  
The girl's got me obsessed  
but she's oblivious  
the girl can't help it, yeah

I've got the mind to tell her  
but I can't find the nerve  
It's so disturbing  
The girl, the girl, the girl, yeah

Chorus

The girl can't help it  
the girl can't help it  
the girl can't help it, yeah

The girl's got me obsessed  
but she's oblivious  
the girl can't help it, yeah  
The girl can't help it  
the girl can't help it  
the girl can't help it, yeah

The girl
