Do you ever feel like me?  
Yeah, the walls are closing in between, just breathe  
with me  
I wait every single moment of every day  
Just to see your face, why can't they just let us be? Yeah

Oh, oh, oh, oh, oh  
It's us against the world  
Oh, oh, oh, oh, oh  
It's us against the world

I'm never letting go, come on let's run away  
Just take me by the hand, we will make it  
Oh, oh, oh, oh, oh, oh  
It's us against the world

Ask me once and I'll leave everything for you  
Just say the word you'll see, you'll stay with me  
I wait every single moment of every day  
Just to see your face, why can't they let us be? Yeah

Oh, oh, oh, oh, oh  
It's us against the world  
Oh, oh, oh, oh, oh  
It's us against the world

I'm never letting go, come on let's run away  
Just take me by the hand, we will make it  
Oh, oh, oh, oh, oh, oh  
It's us against the world

Yeah we're racing, yeah we're racing  
Far away from here  
Yeah we'll make it, yeah we'll make it  
We'll get there, we'll get there

Yeah, we're racing, racing, racing, racing  
Far away from here  
Yeah we'll make it, yeah we'll make it  
And we'll get there

Oh, oh, oh, oh, oh

It's us against the world  
Oh, oh, oh, oh, oh  
It's us against the world

I'm never letting go, come on let's run away  
Just take me by the hand, we will make it  
Oh, oh, oh, oh, oh, oh  
It's us against the world

Oh, oh, oh, oh, oh  
It's us against the world  
Oh, oh, oh, oh, oh  
It's us against the world
