I look, I look, I look, I see
I see a world of beauty
I touch, I touch, I touch, I feel
I feel a world around so real
And everything I do
I dedicate to You
Cause You made me
I am for You

I listen, listen, listen, I hear
I hear the words of God so clear
I read, I read, I read, I know
It helps my knowledge grow
And everything we do
We dedicate to You
Cause You made us
We are for You
I listen, listen, listen, I hear

He sent the Prophet to show us the way
He made Religion perfect that Day
Peace be upon him, upon him we pray
Salatullah, wa salamu aalyhi

I sleep I sleep, I sleep, I dream
I dream I'm in a garden green
I wish, I wish, I wish I pray
I pray to be here everyday
And everything I do
I dedicate to You
Cause You made me
I am for You

I work, I work, I work, I strive
To make something of my life
I seek, I seek, I seek, I find
I find another hill to climb
And everything we do
We dedicate to You
Cause You made us
We are for You

I look, I look, I look, I see

He sent the Prophet to show us the way
He made Religion perfect that Day
Peace be upon him, upon him we pray
Salatullah, wa salamu aalyhi(x2)
