My name is Desire
No will to say no
'Cause it feels too good
I'm walking on wire

I want it all
If I could, would, should
Body bliss is my weakness
I'm hungry for your sweetness

Don't make me want this
Don't make me feel this way
Don't make me do this
Don't look at me that way

Your name is Trouble
You're exactly the kind
I like to get into
I've fallen, I've tumbled
You're ev'rything
I should not do
Giving in to my anguish
I'm hungry for completeness

Don't make me want this
Don't make me feel this way
Don't make me do this
Don't look at me that way

My name is Desire
Broken hearts so relentless
My hunger for you is endless

Don't make me want this
Don't make me feel this way
Don't make me do this
Don't look at me that way

Don't make me want this
Don't make me feel this way
Don't make me do this
Don't look at me that way

Don't look at me that way
