This is who I am
This is who I am
maybe this is who I am
this is who I am
maybe this is who I am

There's a crash
and there is somebody stuck
in the burning car
it's me inside
behind enemy lines
this is how things are
I can't stand here

Maybe this is who I am
maybe this is who I am
maybe this is who I am
maybe this is who I am

They talk to me
and I agree
though I don't want to
They fire away their smiles at me
can I get fire too?

They hug and kiss and I
turn the other cheek
if they are nice
I know they are mean
maybe they're on to me?

I can't stand here

Sun has come
lay your healing hands on me
One time before this raging war
comes down on me

Because I can't stand here
maybe this is who I am
I can't stand here

maybe this is who I am
I can't stand here
maybe this is who I am
I can't stand here
maybe this is who I am
I can't stand here
I can't stand here
