Ladies and Gentlemen
Let's talk about the outcasts

If I reach success
then he as failed
He marks my words
Stands in my way

All those people
still back home
disturbing looks
everywhere I go

The only cure is to turn to stone
A night in this town
Is a night alone
I don't know
What they want from me
and I do not know
how they expect me to be

ooh, ooh, ooh
ooh, ooh, ooh
I don't know what they want from me
ooh, ooh, ooh
ooh, ooh, ooh

Playing it safe
for times to come
Smiling
Greeting everyone

If I say yes
then he says no
If he agrees
then surely I won't

All those people
Still back home
Covering his back
Everywhere I go

The only cure is to turn to stone
A night in this town
Is a night alone
I don't know
What they want from me
and I do not know
how they expect me to be

The only cure is to turn to stone
A night in this town
Is a night alone
I don't know
What they want from me
and I do not know
how they expect me to be

ooh, ooh, ooh
ooh, ooh, ooh
I don't know what they want from me
ooh, ooh, ooh
ooh, ooh, ooh

I don't know what they want from me

I don't know what they want from me

The only cure is to turn to stone
A night in this town
Is a night alone
I don't know
What they want from me
and I do not know
how they expect me to be

The only cure is to turn to stone
A night in this town
Is a night alone
I don't know
What they want from me
and I do not know
how they expect me to be
