Feelin'

Feelin'

FFFfeelin'

Feelin'

[CHORUS]

There's a party going on

I can feel it coming on

There's a party going on right here

Everybody start's to move

Get up on the groove

There's a party going on right here

So everybody (here)

Let's just walk it all nite

Come on and bring the party right

Make it right

So Mr.DJ put the rhythm to the groove

Make the body move, move all nite

[Repeat CHORUS]

There's a party going on

I can feel it coming on

There's a party going on right here

Everybody start's to move

Get up on the groove

There's a party going on right here

Right hereeeeeeeeeee here

There's a party going on

I can feel it coming on

There's a party going on right here

When the music start's to flow

And your body start's to go

All the party, it's time to chill

So everybody (here) just go?

Dance, the music put you in a trance

With the rhythm, so mr dj.
Let? to the clock, let walk out to
That door, I wanna feel it

[Repeat CHORUS]
