Well I'm a midnight mover
Put my muscle on you
I'm a back door intruder
Make a fuss over you
Turn it loose
Oh, don't keep it inside you
Come on and turn on the juice
Let me know that it's right to
'Cause I wanna love you baby

(All night long)
Oh, you got to give it to me
(All night long)
You got to let me have it
(Do it like you mean it)
Come on do it like you mean it
(Let me sub-machine it)
And let me get down in between it
All night long

I got a front end loader
Keep it runnin' all night
I got a high powered motor
A mother nature's delight
And when I turn it loose
Oh, I can't keep it inside me
I like to turn on the juice
And when I do it's a sight to see
And you're gonna love it baby

(All night long)
Oh come on and give it to me
(All night long)
Ooh you got to let me have it
(Do it like you mean it)
Come on do it like you mean I(Let me sub-machine it)
Let me get diwn in between it
All night long

Oh girl
Where are you tonight

I want you with me baby
Holdin' me tight
All, all, all
Night, night, night
Long
Yeah, yeah, yeah
