There's a feelin I know I got to follow
gonna run yeh run like there's no tomorrow

whats my name...black woman freak

well i'm a black woman freak
sizing up the street
hanging with the curb crawlers destitutes
and the people you'll never meet
well I got coppers on my tail
tryin a put me back in jail
well i'm a fugitive on the run
I said black magic woman to some

whats my name...black woman freak

well i'm a black woman freak
i'm fucking with the beat
slammin down the street law more baby more
till you're freakin on ya feet
I got a psychedelic brew
to make a man out of you
well i'm a fugitive on the run
I said black magic woman to some

whats my name...black woman freak

there's a feelin I know I got to follow
gonna run yeh run like there's no tomorrow
