Driven away by you again
but it won't change the way
your smile ignites my will
you got to know that I will send the arrow soon
cause its just how its got to be
i'm driven for you

and i'll be waiting on your 4 by 4
to stop at the red light
my waters are clean
so your windows will sparkle in the sunlight
but i'm driven away by you again
yes i'm driven away by you again

something about your ruggedness
has got me thinking of a moonlit road to bliss
you got to know that I will send the arrow soon
cause its just how its got to be
i'm driven for you

and i'll be waiting on your 4 by 4
to stop at the red light
my waters are clean
so your windows will sparkle in the sunlight
but i'm driven away by you again
yes i'm driven away by you again
driven driven
