Where iÂ'm going baby
you know you canÂ't follow
where iÂ'm going baby
you know you canÂ't follow
well I take the lost highway home
cause I know iÂ'm on my own

stranger keep on talking now
cause you are my friend
stranger keep on talking now
cause you are my friend
and weÂ'll take the lost highway home
cause we know we donÂ't belong
well I wonÂ't let their words get us down
cause tonight we got both feet on the ground

mama stop your preaching girl
you know its killing me
mama stop your preaching girl
you know its killing me
cause I take the lost highway home
cause I know iÂ'm on my own
well I wonÂ't let your words get me down
cause tonight i got both feet on the ground

and he said I donÂ't care what you say
iÂ'm gonna make it my own way
and she said I donÂ't care whoÂ's made the rules
iÂ'm born to break them if I choose

and together they took the lost highway

cause I take the lost highway home
cause I know I know iÂ'm on my own
well I wonÂ't let your words get me down
cause tonight iÂ'm on the right street
tonight iÂ'm on the right beat
tonight I got both feet on...the ground
