Rosemarys got you again
and you cannot escape from her last kiss
rosemarys got you again
and you cannot escape from her last kiss
for she she moves with a thorn in her side
and she she bleeds with your love on the line

bright colours fashion your day
and you cannot escape the spell she's cast you in
bright colours fashion your day
and you cannot escape the spell she's cast you in
for she she moves with a thorn in her side
and she she bleeds with your love on the line

and all I can do is warn you
and all I can do is taunt you
and all I can do is hope for her to let you go

rosemarys got you again
and you cannot escape from her last kiss
rosemarys got you again
and you cannot escape from her last kiss
for she she moves with a thorn in her side
and she she bleeds with your love on the line

and all I can do is warn you
and all I can do is taunt you
and all I can do is hope for her to let you go
and all I can do is warn you
and all I can do is taunt you
and all I can do is hope for her to disappear

all I can do all I can do
nothing I can do nothing I can do
cause rosemarys got you again
rosemarys got you again
