See you move cross the floor what do I do  
well I can feel your desire baby  
and you can feel mine too  
and when the dj plays a tune that I like  
well its the kind of song I wanna hear all night

slow dancin yeh  
to feel the heat  
slow dancin to the beat

I can't pretend anymore i'm blue indeed  
I need to feel your body baby close to me  
now that we're face to face you know  
somebody turned out the light  
but I can still feel the love  
burning in your eyes

slow dancin yeh  
to feel the heat  
slow dancin to the beat
