Chorus

You gotta pay a cost to be a hoss, run the south and be  
the boss, lay low and break em off, but all them boys  
know what i'm about

Counting stacks ain't all that fun, afterwhile it gets you  
lost,  
just take a second and think about it, you gotta pay a  
cost to be a hoss

(Repeated Twice)

Verse 1-Z.B.

See i run the dirty dirty with my swag i'm so bad  
they all up in my face and i'm like hold up girl step back  
first i, first i let my shirt go, then i let my chain hang  
Z.B.'s a trendsetter so they all gonna do the same thing  
Hit the track with Chris Cross, ya'll know that i gotta  
floss  
diss on me i'm a cut you off  
when i blow up i'm a break you off.  
Yeah i'm a hoss, i got the mic  
hit the track and i'm looking tight,  
Haters all up on my back, no way am i gonna relax  
hit the track with an attitude, if you don't they'll cap at  
you  
Oakley shades, black as adam  
shoes white their my rapping shoes

(Chorus)

Getcha self paid  
Getcha self paid

Verse 2

I'm in the crowd with two stacks  
ice shining like chrome plates and that's a fact  
see i would shake my dreads but i ain't got none on my  
head, so i just body rock doing like chris said,

When i'm up in that booth, my mind goes crazy  
I open up my doors and them girls calling me baby  
(Please Save Me)  
I got room for them ladies, but i'd rather be by myself  
cause they all wanna play me  
Baby  
And this rapping is a blessing  
lyrics this hard ain't gonna never sell for less son  
and that's a lesson, i'm a put it in your brain  
and when you hear this hossyou gone never be the  
same  
that banner kid is throwd, just listen to his rhymes  
i'm yelling through the crowd that i'm always in my  
prime  
So gone and walk it out, (Southside) Two Step (Two  
Step) go ahead and grab my arm cause your dude left  
Come here, i'm a tell you like my haters, cause they  
don't understand why i'm getting all these wages  
And it's cause i'm on my grind,  
that's why i'm a hoss see  
hook me up on myspace and i can tell you all about me

(Chorus Repeated Twice)
