"A Night To Remember"

Visit "[A Night To Remember](#)" on MotoLyrics.com

Guess now it's official
Can't back out, can't back out (no)
Getting ready for the night of nights
The night of nights, alright
Don't Panic (Panic!)

Now do we have to dress up for the prom?
Dude I don't think we have the choice
Yeah it's the night of all nights
Gotta look just right
Dressing to impress the boys

Do I want classic or vintage or plaid?
Wheres the mirror?
I think this tux is too baggy
Too tight, it makes me look weird.

Should I go movie star glamorous, sassy or sweet?
Don't know, but no one better wear the same dress as
me
It's the night of our nightmares
It's the night of our dreams
It's too late to back out of it.
Hey, makeovers, massages.
Don't know what a corsage is.
Been waiting all our lives for this.

It's gonna be a night (cant wait)
To remember (aw man)
Come on now, big fun (alright)
It's gonna be the night (I guess)
To last forever (lucky us)
Well never ever ever forget

Gettin Ready, Get Gettin Ready
Gettin Ready, Get, Gettin Ready
(Hey you been in there an hour man)
So, what should I do with my hair?
Wheres my shaver?
Ooh, I love it.
I look like a waiter.

Should I fluff it?
It's get later already should be there.

Her mother opens the door, I'm shakin inside
He's here, it's time, the hours arrived.
Don't know why, her fathers staring me down
Wheres my purse? Lip gloss? Now I'm really freaking
out.
Then something changes my world
The most beautiful girl right in front of my eyes

It's gonna be a night (Oh Yeah!)
To remember (that's for sure)
Come on now, big fun (Alright!)
It's gonna be the night (Yeah tonight)
To last forever (forever more)
Well never ever ever forget.

Whos that girl? (Shes so fine)
Whos that guy? (I don't recognize)
Whos that girl? (She looks so good, yeah)
You'll never really notice, but you probably should

Big fun, on the night of nights (alright)
The night of nights, tonight
Lets dance
On the night of nights
You know were gonna do it right

It's gonna be a night to remember
It's gonna be the night to last forever
It's gonna be a night to remember
It's gonna be the night to last forever
(Last Forever)
It's gonna be our night (you know it)
To remember (all time)
Come on now, big fun (big fun)
It's gonna be the night (love it)
To last forever (the rest of our lives)
Well never ever ever forget

It's gonna be our night (oh yeah)
All together (say it loud)
Come on now, everyone (that's right)
It's gonna be a night (yeah tonight)
To remember (hear the crowd)
And never ever ever never ever never ever never
ever ever forget!
